

How Does

TRIGE HEALTH

Support

Health Care Professionals?

Free Continuing Education at Our Events

Triage Health provides free continuing education for nurses, social workers, patient advocates, and other professionals at all of our educational events!

TriageHealth.org/Events

Trainings Designed for You

Our **Insurance & Finance Intensive** is a training designed specifically for health care professionals and advocates. Learn practical ways to mitigate the financial toxicity of a chronic or serious medical condition.

TriageHealth.org/Intensive

Specialized Webinars

Attend our FREE monthly webinars that cover a variety of legal and practical topics, such as health and disability insurance, navigating health care and work, managing finances, and more!

TriageHealth.org/Webinars

Community Health Worker Training

We offer a free training for CHWs, promotores, patient navigators, and frontline public health workers on health insurance, workplace rights, disability insurance, and managing medical bills.
